Dr Kamran Ashraf is at the forefront of cosmetic dentistry, operating out of 2 Aesthetics Hubs within the city. Dr Ashraf's primary focus is on crafting beautiful smiles by utilising the latest in cutting edge technology which ensures predicable and repeatable solutions for his patients. He has lectured this digital workflow internationally, allowing other clinicians to benefit from his minimally invasive aesthetic approach to smile transformations.

Dr Ashraf is a dual-honours graduate from the University of Dundee and University of Central Lancashire and is an accredited Fellow of The Royal College of Surgeons Edinburgh. He studied under the forefather of Restorative Dentistry Professor Richard Ibbetson, where he excelled his career in Periodontics and Prosthodontics. His extensive hospital training and surgical experience, has provided him the confidence to deliver excellent treatment outcomes, as can be seen on his portfolio that is publicly available via his Instagram.
