LECTURER

DR. DAVID JANG

LIVE SURGERY IMPLANT COURSE

Dr. David Jang

COURSE SUMMARY

This course is designed to equip general dentists with the fundamental techniques required for implant surgery such as treatment planning, placing basic implants and restoring implants. The course will span from the introduction of implants to the basic knowledge of surgical and prosthetic aspects of implantology. The course will have an emphasis on the practical aspects with hands-on sessions on incision, drilling sequence and suturing techniques to instil confidence and remove any fears from placing their first implant.

LIVE SURGERY

COURSE DIRECTOR

Dr. David Jang

- BSc (UQ)
- Principal Dentist / Partner at Canada Bay Dental
- Clinical Educator, USyd
- Postgrad Student MSc (Oral Implants) & Grad Dip Clin Dent (Conscious Sedation)
- Member of ASID, Member of ICOI

Dr David Jang is a graduate of Bachelor of Dental Science at the University of Queensland and has ever since worked across multiple locations around NSW from which he attained vast variety of experience in all realms of dentistry. He eventually took up the position as a principal dentist in Canada Bay Dental where he primarily focuses in surgical and implant dentistry. Aside from his astounding career, Dr Jang has always been passionate about mentoring others to follow his footsteps. He values the prospect of mentoring those who aspire to broaden their experiences and further explore implant dentistry
