COURSE DIRECTOR

Dr. James Wong

BDS Sc WA | PGDip Dental Implantology (CSU) | FICOI

Academic and Professional Background

In addition to earning his Bachelor of Dental Science from the University of Western Australia in 1996, James holds a Postgraduate Diploma in Implantology that he attained in 2011. Moreover, he attended the Master of Oral Implantology at Goethe University in Frankfurt in 2014.

He also was awarded Fellowship status from the International Congress of Oral Implantologists in 2011. James has the distinction of being only one of two WA dentists who was accepted into the esteemed programme for the Postgraduate Diploma at Charles Sturt University in NSW. To stay abreast of the latest developments in his area of expertise, James is always attending various local and overseas conferences and seminars in implant dentistry and oral surgery.

Placing Implants and Wisdom Teeth Removal

James is highly skilled in placing dental implants and has placed more than 6,000 in the last decade. He also has expertise in wisdom teeth removal, with 20 years of experience in oral surgery. He has removed over 30,000 wisdom teeth and is highly skilled in treating patients with complex dental problems.
